## Make Selling Easier. See Results Fast.

GP

Microsoft  
Dynamics

**Uncover Revenue Opportunity** - A pipeline is built through more calls that result in more opportunities. Do you have a CRM system that allows you to efficiently make more sales calls?

**Perfect the Close** - One key to more sales is a simple sales process that covers all the right steps before trying to close. Do you have a CRM system that helps you with the closing process?

**Master Follow Up** - Follow up is nearly impossible without a system to plan follow-up activities. Do you have a CRM system that enables thorough sales follow up?

Ok you get it, you need a CRM system. Well, of the top two CRM choices (according to Gartner), Microsoft Dynamics 365 for Sales is more flexible and lower cost. And based on our more than 30 years of CRM experience, Velosio SalesExpedite can get you up and going with less investment in time and cost than any competing solution.

# Velosio SalesExpedite

Velosio's SalesExpedite CRM provides our customers with a fast, low-cost method to get their organizations up and running with Dynamics 365 for Sales.

Implementation of the **Velosio SalesExpedite CRM** solution spotlights the essential functions of Dynamics 365 for Sales, without bogging you down with advanced capabilities as you get started. Leveraging web-based wizards, we can provide a customized deployment without expensive and time-consuming customization, allowing us to mold Dynamics 365 for Sales to your business specific need.

We will customize Leads, Opportunities, Accounts, Contacts and Cases, set up your users. Your team will be productive with Dynamics 365 for Sales almost immediately, plus the built-in integrated video training at their fingertips. When you are ready to expand to advanced capabilities, Velosio is there to partner with you to enhance and extend your Dynamics 365 system wherever you want it to go.

**\$2,500**  
plus licensing for an  
inclusive implementation
